Features & Benefits

All utilities - power, gas, water, sewer, telephone, etc. - are already located in the streets and there is an electrical substation in the park

Surrounded by numerous residential projects housing potential employees. Access to an ample labor base, the Spanish Springs Valley offers employees numerous amenities including, new retail centers and ample recreational opportunities.

There are over 65 motor freight companies that serve the market, freight can be shipped overnight to 80% of the western marketplace, with the other 20% second day

Ample water rights are included with each sale and many uses are pre-approved, making developing within the park a simple and quick process. The SSBC is located outside the 500 year floodplain and can be subdivided to meet a specific user's requirement. Utilities, transportation infrastructure, and labor sources were carefully planned long before Spanish Springs Business Center broke ground
